On Mount Moriah, after Abraham proved his faith by being willing to sacrifice his son Isaac, God swore an oath to reaffirm and expand His covenant promises.

1. God would give him a son
2. God would give him many descendants
3. God would bless those who blessed him and curse those who cursed him
4. There would be kings among his descendants
5. God would make his name famous
6. God would bless all nations through him
7. God would shield him from danger
8. God would bless his wife and make her a mother of nations
